You were given to us,
A bright baby boy
On August 27th, oh what a joy.

Our little boy is grown up now.
This happened when, where & how?

We have seen you thru go-karts
and three wheelers too,
now on to race cars to see what you can do.

Now there are many choices for you to decide,
Hang on to your hat, you're in for a long,
long ride.

We know you will pick the right path for you,
We just want you to be happy in all that
you do.

You think that we worry to much about you,
but that is just what parents do.

We will be there to help you whenever we can,
Now we have to step back and watch you grow up into a man.

Billy,
Who would have ever thought that the bothersome little brother that copied my pictures when we were coloring and chased me around the house would turn out to be one of my best friends? I can tell you my secrets and always count on you to sneak downstairs early with me to check out the cool Christmas presents. You have turned out to be a really wonderful guy. Congratulations on your accomplishments always remember how proud your family is of you and remember your Big Sis will always be here to lend a helping hand.
